

# Mental Health Apps

## **Calm**

[www.calm.com](http://www.calm.com)

A collection of meditation techniques for sleep and stress reduction.

## **Headspace**

[www.headspace.com](http://www.headspace.com)

A meditation app containing mindful techniques which have been clinically validated to improve health and create personal happiness.

## **notOK**

[www.notokapp.com](http://www.notokapp.com)

Since its inception in 2018, this app has created the ability for people to seek and receive immediate support from friends and family during times of physical and mental distress.

## **Talkspace**

[www.talkspace.com](http://www.talkspace.com)

Endorsed by Michael Phelps, world champion swimmer, Talkspace is an app which connects therapists and clients through messaging on a smart phone. The service is designed to provide counseling to teens and adults.

## **Curable**

The Curable App utilizes the latest developments in pain science and puts the information in easy-to-understand techniques to reduce chronic pain.
